

## GROOMING WAIVER

Name of Dog: \_\_\_\_\_ Breed: \_\_\_\_\_

I understand that there are risks involved in having my dog groomed. Although grooming is separate from the daycare, dogs are in an environment where they may be exposed to other dogs. I acknowledge that Fetch! Dog Daycare & Grooming Ltd. (Hereafter collectively referred to as "Fetch!") will take preventative actions as are reasonable to minimize these risks, but I understand that it is not always possible for Fetch! to prevent injuries or illnesses that may occur. Some injuries may include but are not limited to; scrapes/abrasions, allergies or rashes, and nicked nails.

1. I understand while having my dog groomed, they may be in the company of other dogs, this may increase the risk of contracting illnesses which may include but is not limited to: fleas, ticks or kennel cough among others. It is the responsibility of the owner to ensure their dogs' vaccinations are up to date and they are on a flea preventative program prescribed by their vet. I understand that vaccinations cannot completely guard against all illnesses and diseases, and that Fetch! cannot in any way prevent, nor are they responsible for, any illness that my dog may contract.
2. I understand that dogs may react unpredictably to being groomed which can result in various scrapes and abrasions. Fetch! will not be held responsible for such injuries.
3. I understand while my dog is not being groomed (dropped off early/ waiting for pick up) my dog is kept securely in a crate for their own safety and well-being. It is the owners responsibility to coordinate grooming appointments that allow for prompt pick up. Late pick up charges may apply.
4. **Matted Dogs; if I bring my dog in to be groomed and the dog is extremely matted or in poor health, the groomer reserves the right to refuse service to the dog due to safety concerns. If the groomer accepts a very matted dog, I understand the risks to grooming the dog may be increased and I accept the higher risks. Initial: \_\_\_\_\_**

After reading the above, I understand and agree that Fetch! is not responsible for any injury or illness caused by or contracted while being groomed, provided that Fetch! has taken reasonable precautions to prevent such injuries or illnesses.

In the event of illness or injury while being groomed, I authorize Fetch! to take the necessary actions for what is in the best interest of the dogs health and well-being; which may include bringing them to the nearest vet for examination.

My signature on this document indicates that I have read and clearly understand what is outlined and agree to all its terms. Agreed and accepted on this day of \_\_\_\_\_, 20\_\_.
